

## **115<sup>th</sup> Congress House Democrats Who Voted for H.R. 1737 Passage: Reforming CFPB Indirect Auto Financing Guidance Act – November 18, 2015**

Passage of a bill that would have nullified the Consumer Financial Protection Bureau's (CFPB) - guidance on indirect auto lending published on March 21, 2013. The bill would have required the CFPB to provide for a public notice and comment period, make available to the public all data and analysis used in preparing the guidance, and consult with the boards of the Federal Reserve System, the Federal Trade Commission, and the Justice Department when proposing and issuing guidance on indirect auto financing. As amended, the bill would have ensured that the CFPB is required to conduct a study on the costs and impacts of guidance on veteran-owned businesses, rural customers, and rural small businesses in addition to studying the costs and impacts on women-owned, minority-owned, and small businesses. Further, the bill, as amended, would have clarified that nothing in this bill shall be construed to apply to guidance issued by the CFPB that is not primarily related to indirect auto financing. *Passed the House 332-96: R 244-0; D 88-96.*
