

BOOTH FLOOR PLAN FILING REQUIREMENTS

Deadline: November 21, 2025

Each exhibiting company must submit a booth drawing/rendering of the planned booth construction, showing height, depth and width. The height and placement of walls, furniture and all displayed products or equipment must be included. This drawing/rendering must be submitted by November 21, 2025, regardless of booth size.

Your display products must fit within the confines of your display area and must be arranged in such a manner to not obstruct neighboring exhibits. Anything not complying with NADA's Exhibit Design Regulations will be removed - NO EXCEPTIONS!

All in-line booths are divided by hardwall and measures 9.98' wide by 10' deep.

In order for your booth drawing/rendering to be accurately processed, **YOU MUST ATTACH YOUR FLOOR PLAN TO THE FLOOR PLAN REPORTING FORM. The floor plan should include the dimensions and descriptions of all structures in the booth, including signs, offices, and walls.**

NADA Show Management will review booth drawings/renderings for compliance with NADA's Exhibit Design Regulations. **NADA Show Management will notify exhibitors only if the booth may be in violation.**
