## FEATURES OF THE LIFE INSURANCE PLAN

### Accelerated Benefit Option

Should you become terminally ill, you may elect to receive up to 50% of your life insurance benefit (not to exceed \$75,000) while you are still living. You can use this money for whatever purpose you wish: put it toward your medical bills, or pay off your mortgage for your family, for instance.

To receive this benefit, you must furnish satisfactory proof that your life expectancy is 12 months or less, including certification by a qualified physician. New York Life may inquire further to verify your eligibility.

The benefits not paid to you under this option will be payable to your beneficiary upon your death.

Note: The benefit is not available to residents of Massachusetts. Accelerated death benefits are not taxable under current U.S. Federal law. However, receipt of benefits may affect eligibility for public assistance programs. Prior to applying for such benefits, please consult the appropriate social service agency and seek tax counsel.

### Conversion Privilege

Under certain circumstances of involuntary termination of coverage, the group life policy provides conversion privileges without medical evidence to an individual plan. Complete details will be included in your certificate of insurance.

### One Life Exclusion

In the event of death by suicide within the first two years of coverage (Missouri residents one year), benefits are limited to a refund of premium paid.

## OPTIONAL PROTECTION FOR ACCIDENTAL DEATH AND DISMEMBERMENT (AD&D)

### AD&D Benefit Amount

AD&D insurance provides an additional amount of coverage (Principal Sum) up to \$300,000 (\$150,000 for eligible spouses, not to exceed member's coverage amount). You may enroll in the coverage described above. If you and your spouse are both Participants, you may each be covered as a Participant under the optional Accidental Death and Dismemberment Coverage; but only one of you may be covered as both a Participant and as a covered spouse under the optional Accidental Death and Dismemberment Coverage. Maximum available as Participant and dependent may not exceed \$400,000.

At age 75, coverage amounts for members and spouses reduce as follows:

- Age 75 to 82.5% of Principal Sum
- Age 80 to 57.5% of Principal Sum
- Age 85 to 37.5% of Principal Sum

## FEATURES OF THE ACCIDENTAL DEATH & DISMEMBERMENT PLAN

### What AD&D Benefits are Payable

The accidental death and dismemberment plan can pay your beneficiary a benefit for a covered loss of life. Subject to the provisions of the Group Policy, if a member is dismembered or loses sight in an accident, the member will receive a portion of the coverage, depending on the severity of the accident as shown below:

COVERED LOSS	PERCENTAGE OF PRINCIPAL SUM
Loss of life	100%
Loss of two limbs	100%
Loss of sight of both eyes	100%
Loss of one limb and sight of one eye	100%
Loss of speech and hearing	100%
Loss of movement of both upper and lower limbs (quadriplegia)	100%
Loss of movement of both lower limbs (paraplegia)	75%
Loss of movement of both upper and lower limbs on one side of the body (hemiplegia)	50%

CONTINUED ON BACK

COVERED LOSS	PERCENTAGE OF PRINCIPAL SUM
Loss of one limb	50%
Loss of sight of one eye	50%
Loss of speech or hearing	50%
Loss of thumb and index finger on one hand	25%
Loss of movement of one limb (uniplegia)	25%

The loss must occur within 365 days of the accident and the accident must occur while the member is insured under this plan.

Loss of *sight, speech or hearing* means total and permanent loss.

Loss of *limb* means severance through or above the wrist or ankle.

Loss of *thumb and index finger* means severance through or above the *metacarpophalangeal* joints.

Loss of *movement of limbs* means total and permanent paralysis of such limbs.

No more than one benefit, the largest benefit, is payable for all losses to the same limb due to or related to any one accident. The amount available under the Principal Sum will change whenever the Life Insurance amount changes.

### EFFECTIVE DATE

Participant Insurance Coverage becomes effective the first of the month following the date of approval of the Participant's application by New York Life Insurance Company, provided the first premium payment is received within 31 days and the Participant meets the Active Work Requirement on that date. If the Participant does not meet the Active Work Requirement on the day that change would take effect, it will take effect on the first day the Participant meets that requirement. If the proposed dependent is confined at home, in a hospital or other medical institution on the date such insurance would otherwise have taken effect, insurance will not take effect until proposed Dependent is no longer confined, provided the participant is insured on that day and the dependent is still eligible to obtain insurance.

### WHEN COVERAGE ENDS

Coverage remains in effect as long as the Group Policy is not terminated and premiums are paid when due.
